Community Council Meeting Minutes

November 9, 2026

Members Present

- Michele Parry
- Kelsi Allred
- Ang Klippel
- Mackenzie Womack
- Brandi Johnston

Absent

- Morgan Daich

1. Trustlands Goal Statement

The council reviewed the beginning of the year Acadience reading data. They discussed the requirements for establishing a Trustlands goal and action plan.

- Goals must be directly tied to Trustlands funding and address an identified academic need.
- Progress must be measurable and monitored using BOY (Beginning of Year), MOY (Middle of Year), and EOY (End of Year) Acadience data.
- An action plan must be developed to outline how the goal will be achieved.
- Schools must plan to spend down to at least 10% or less of the remaining Trustlands funds.

2. Community Council Training

The council reviewed the Community Council Training Slides and discussed the following information:

- Trustlands funding is intended to support identified academic needs and improve student achievement.
- Community Councils play an important role in reviewing the school plan and helping determine how funds should be allocated.
- The school plan is reviewed by the Community Council before being submitted to the LEA Governing Board and then to the state.
- There is no limit to the number of goals a school may establish; however, it is recommended to focus on one primary goal.
- A plan amendment is required if the school anticipates having more than 10% of its funds remaining or if changes to the approved plan are necessary.

3. Next Meeting

Date: January 26, 2027

The council will review the to-date spending and determine whether funds need to be moved or reallocated to ensure appropriate use of Trustlands funding.

4. Meeting Duration and Voting

- The meeting lasted 40 minutes.
- All votes were unanimous, with all members voting "I" (in favor) at the end of the meeting.
