

# Early Light Academy Bullying & Hazing Policy

EARLY LIGHT  
ACADEMY

## PURPOSE

The purpose of this policy is to prohibit bullying, cyber-bullying, hazing, retaliation, and abusive conduct involving Early Light Academy (the “School”) students and employees. The School’s Board of Directors (the “Board”) has determined that a safe, civil environment in School is necessary for students to learn and achieve high academic standards and that conduct constituting bullying, cyber-bullying, hazing, retaliation, and abusive conduct disrupts both a student’s ability to learn and the School’s ability to educate its students in a safe environment.

## POLICY

### Prohibited Conduct

Bullying, cyber-bullying, hazing, retaliation, and abusive conduct towards students and employees are against federal, state, and local policy and are not tolerated by the School. The School is committed to providing all students with a safe and civil environment in which all members of the School community are treated with dignity and respect. To that end, the School has in place policies, procedures, and practices that are designed to reduce and eliminate this conduct – including, but not limited to, civil rights violations – as well as processes and procedures to deal with such incidents. Bullying, cyber-bullying, hazing, retaliation, and abusive conduct towards students and/or employees by students and/or employees will not be tolerated in the School. Likewise, abusive conduct by students or parents or guardians against School employees is prohibited by the School and will not be tolerated in the School.

In order to promote a safe, civil learning environment, the School prohibits all forms of bullying of students and School employees (a) on School property, (b) at a School-related or sponsored event, or (c) while the student or School employee is traveling to or from School property or a School-related or sponsored event.

The School prohibits all forms of bullying, cyber-bullying, hazing, abusive conduct of or retaliation against students and School employees at any time and any location.

Students and School employees are prohibited from retaliating against any student, School employee or an investigator for, or witness of, an alleged incident of bullying, cyber-bullying, hazing, abusive conduct, or retaliation.

Students and School employees are prohibited from making false allegations of bullying, cyber-bullying, hazing, abusive conduct, or retaliation against a student or School employees.

Students and School employees are prohibited from sharing a recording of an act of bullying, cyber-bullying, hazing, abusive conduct, and retaliation in order to impact or encourage future incidents.

Students and School employees are prohibited from creating or distributing sexually explicit or nonconsensual intimate images.

In addition, School employees, coaches, sponsors and volunteers shall not permit, condone or tolerate any form of hazing, bullying, cyber-bullying, or abusive conduct and shall not plan, direct, encourage, assist, engage or participate in any activity that involves hazing, bullying, cyber-bullying, or abusive conduct.

Any bullying, cyber-bullying, hazing, abusive conduct, or retaliation that is found to be targeted at a federally protected class is further prohibited under federal anti-discrimination laws and is subject to OCR compliance regulations.

### Reporting Prohibited Conduct

Students who have been subjected to or witnessed bullying, cyber-bullying, hazing, or retaliation, and students who have witnessed abusive conduct, must promptly report such prohibited conduct to any School personnel orally or in writing. School personnel who receive reports of such prohibited conduct must report them to the Executive Director.

School employees who have been subjected to or witnessed hazing, bullying, cyber-bullying, abusive conduct, or retaliation must report such prohibited conduct to the School’s Executive Director orally or in writing.

Each report of prohibited conduct shall include:

- (1) the name of complaining party;
- (2) the name of person subjected to the prohibited conduct (if different than complaining party);
- (3) the name of perpetrator (if known);
- (4) the date and location of the prohibited conduct; and
- (5) a statement describing the prohibited conduct, including names of witnesses (if known).

In connection with a report of prohibited conduct, students and School employees may request that their identity be kept anonymous, and reasonable steps shall be taken by the Executive Director and others involved in the reporting and investigation to maintain the anonymity of such individuals, if possible. School employees must take strong responsive action to prevent retaliation, including assisting students who are subjected to prohibited conduct and his or her parents or guardians in reporting subsequent problems and new instances of prohibited conduct.

The Executive Director or his/her designee shall promptly make a reasonably thorough investigation of all complaints of prohibited conduct, including, to the extent possible, anonymous reports, and shall, in accordance with the Consequences of Prohibited Behavior section below, administer appropriate discipline to all individuals who violate this policy. Formal disciplinary action is prohibited based solely on an anonymous report.

The Executive Director may report to OCR all incidents of bullying, hazing, cyber-bullying, abusive conduct, or retaliation that he/she reasonably determines may be violations of a student's or employee's civil rights.

It is the School's policy, in compliance with state and federal law, that students have a limited expectation of privacy on the School's computer equipment and network system, and routine monitoring or maintenance may lead to discovery that a user has violated School policy or law. Also, individual targeted searches will be conducted if there is reasonable suspicion that a user has violated policy or law. Personal electronic devices of any student suspected of violation of this policy will be confiscated for investigation and may be turned over to law enforcement.

#### Investigation of Alleged Incidents

The School will investigate all allegations of bullying, cyber-bullying, hazing, retaliation, and abusive conduct in accordance with this policy and applicable law. The Executive Director or his/her designee will investigate such allegations, and the School shall ensure that the investigator is provided adequate training to conduct such an investigation. The Executive Director or his/her designee will be the point person with training and expertise to assist, direct, and supervise training of other employees in the responsibilities set forth in this paragraph.

The School will investigate these alleged incidents by interviewing:

- (1) the individual who was allegedly targeted;
- (2) the individual who is alleged to have engaged in the prohibited conduct;
- (3) the parents or guardians of the students who were allegedly targeted and the individual who is alleged to have engaged in prohibited conduct;
- (4) any witnesses;
- (5) School staff familiar with the student who was allegedly targeted;
- (6) School staff familiar with the individual who is alleged to have engaged in prohibited conduct; or
- (7) Other individuals who may provide additional information.

The individual who investigates an alleged incident will inform an individual being interviewed that (1) to the extent allowed by law, the individual is required to keep all details of the interview confidential; and (2) further reports of bullying will become part of the review. However, the confidentiality requirement described in this paragraph does not apply to conversations with law enforcement, requests for information pursuant to a warrant or subpoena, a state or federal reporting requirement, or other reporting required by R277-613.

In conducting this investigation, the School may (1) review disciplinary reports of involved students; and (2) review physical evidence, including video or audio, notes, email, text messages, social media, or graffiti.

The School will report alleged incidents of bullying, cyber-bullying, hazing, retaliation, and abusive conduct to law enforcement when the Executive Director reasonably determines that the alleged incident may have violated criminal law.

The School shall follow up with the parents or guardians of all parties to:

- (1) inform parents or guardians when an investigation is concluded;
- (2) inform parents or guardians what safety measures will be in place for their child, as determined by the investigation;
- (3) provide additional information about the investigation or the resolution consistent with the Family Educational Rights and Privacy Act of 1974, 20 U.S.C. 1232g (“FERPA”); and
- (4) inform parents or guardians of the School’s Parent Grievance Policy if the parents or guardians disagree with the resolution of the investigation.

If the investigation results in a verification of an incident of bullying, cyber-bullying, hazing, retaliation, or abusive conduct, the School shall create and implement an action plan for each such incident in accordance with Utah Code § 53G-9-605.5 and R277-613.

In addition, following verification of an incident of bullying, cyber-bullying, hazing, retaliation, or abusive conduct, the Executive Director may, if he/she determines it is appropriate:

- (1) use accountability practices in accordance with policies established by the School; and
- (2) provide supportive services designed to preserve the student's access to educational opportunities and a sense of safety.

However, a student to whom an incident of bullying, cyber-bullying, hazing, retaliation, or abusive conduct is directed is not required to participate in a restorative justice practice with an individual who is alleged to have engaged in prohibited conduct. If the School would like any student to participate in a restorative justice practice, the School will notify the student's parent or guardian of the restorative justice practice and obtain consent from the student's parent or guardian before including the student in the process.

#### Parental Notification

The Executive Director or his/her designee will timely notify a student's parent or guardian if:

- (1) the student threatens suicide; or
- (2) the student is involved in an incident (including if the student is subjected to the incident or is the person who caused the incident) and of the action plan to address the incident.

The Executive Director or his/her designee will attempt to contact the parent or guardian by telephone to provide this notification and to discuss the matter. If the parent or guardian is not available by telephone, the Executive Director or his/her designee will provide the parent or guardian the required notification by email.

The Executive Director or his/her designee will produce and maintain a record that:

- (1) verifies that the School notified each parent or guardian as required above. If an in-person meeting takes place, the Executive Director or his/her designee may ask the parent or guardian to sign the record acknowledging that the notification was provided. If a telephone conversation takes place, the Executive Director or his/her designee may document on the record such details as the date and time of the telephone call, who was spoken to, and brief notes regarding the notification that was provided and the content of the conversation. If an email is sent, the Executive Director or his/her designee will retain a copy of the email; and
- (2) tracks implementation of the action plan addressing the incident, if applicable.

The School will retain the record for at least as long as the student is enrolled at the School and will provide or expunge the record in accordance with Utah Code § 53G-9-604. The School will

maintain the confidentiality of the record in accordance with the state and federal student data privacy laws referenced in Utah Code § 53G-9-604.

In addition to notifying the parent or guardian as set forth above, the Executive Director or his/her designee will provide the parent or guardian with the following:

- (1) suicide prevention materials and information as recommended by the Utah State Board of Education in accordance with Utah Code § 53G-9-604(2)(b);
- (2) information on ways to limit a student's access to fatal means, including firearms or medication; and
- (3) information and resources on the healthy use of social media and online practices as provided in R277-613.

### Action Plan to Address Incidents

Following verification of an incident of bullying, cyber-bullying, hazing, retaliation, or abusive conduct, the School shall develop and implement an action plan. The action plan shall include:

- (1) with respect to the targeted and in direct coordination with the student's parent or guardian:
  - (a) a tailored response to the incident that addresses the student's needs;
  - (b) a mechanism to consider consequences or accommodations the student may need regarding decreased exposure or interactions with the student who caused the incident;
  - (c) notification of the consequences and plan to address the behavior of the student who caused the incident, to the extent allowed by FERPA;
  - (d) support measures designed to preserve the student's access to educational services and opportunities; and
  - (e) to the extent available, access to other resources the parent requests for the student; and
- (2) with respect to the student who caused the incident and in direct coordination with the student's parent or guardian:
  - (a) a range of tailored and appropriate consequences, making reasonable effort to preserve the student's access to educational services and activities;
  - (b) a process to determine and provide any needed resources related to the underlying cause of the incident;
  - (c) supportive measures designed to preserve the student's access to educational services and opportunities while protecting the safety and well-being of other students; and
  - (d) a process to remove the student from School in an emergency situation, including a description of what constitutes an emergency.

The School may not include in an action plan a requirement that the student to whom the incident was directed change the student's:

- (1) educational schedule or placement; or
- (2) participation in a School sponsored sport, club, or activity.

The School shall try to involve the parent or guardian of a student who was involved in an incident of bullying, cyber-bullying, hazing, retaliation, or abusive conduct in the development and implementation of an action plan. However, if, after the School attempts to involve a parent or guardian in the development and implementation of an action plan, the parent or guardian chooses to not participate in the process, the School may develop and implement an action plan without the parent or guardian's involvement.

The School shall communicate with the parent or guardian of each student involved in an incident of bullying, cyber-bullying, hazing, retaliation, or abusive conduct about the implementation of the action plan. Specifically, the School shall provide regular updates on the implementation of the action plan to each such parent or guardian. The updates shall include:

- (1) the outcome of the School's investigation (if not already provided at the conclusion of the investigation);
- (2) a discussion of safety considerations for the student who is the subject of the incident; and
- (3) an explanation of the School's process for addressing the incident.

The Executive Director or his/her designee shall oversee the implementation of the action plan, monitor the implementation of the communication plan/requirements within the action plan, and assist the School with case-specific needs when the School is addressing an incident of bullying, cyber-bullying, hazing, retaliation, or abusive conduct.

### Consequences of Prohibited Behavior

If, after an investigation, a student is found to be in violation of this policy by participating in or encouraging conduct prohibited by this policy, the student shall be disciplined by appropriate measures up to, and including, suspension and expulsion, pursuant to Utah Code § 53G-8-205 and School policy, removal from participation in School activities, and/or discipline in accordance with regulations of the U.S. Department of Education Office for Civil Rights (OCR).

If, after an investigation, a School employee is found to be in violation of this policy, the employee shall be disciplined by appropriate measures, which may include termination, reassignment or other appropriate action.

School officials have the authority to discipline students for off-campus or online speech that causes or threatens a substantial disruption to School operations, including violent altercations or a significant interference with a student's educational performance and involvement in School activities.

### Grievance Process for School Employees

As explained above, a School employee who has experienced abusive conduct must report the abusive conduct to the School Executive Director orally or in writing. If the School employee is not satisfied with the Executive Director or designee's investigation of the abusive conduct and/or the resulting disciplinary action (or recommended disciplinary action) against the perpetrator, the

School employee may address/raise the issue in accordance with the School's Staff Grievance Policy.

### Grievance Process for Parents and Guardians

A parent or guardian of a student who caused an incident of bullying, cyber-bullying, hazing, retaliation, or abusive conduct may appeal one or more of the consequences included in an action plan in accordance with the School's Parent Grievance Policy.

### Additional Provisions

The Executive Director will ensure compliance with OCR regulations when civil rights violations are reported, as follows:

- (1) Once the School knows or reasonably should know of possible student-on-student bullying, cyber-bullying, or hazing, the School must take immediate and appropriate action to investigate.
- (2) If it is determined that the bullying, cyber-bullying, or hazing of a student did occur as a result of the student's membership in a protected class, the School shall take prompt and effective steps reasonably calculated to:
  - (a) end the bullying, cyber-bullying, or hazing;
  - (b) eliminate any hostile environment; and
  - (c) prevent its recurrence.
- (3) These duties are the School's responsibilities even if the misconduct is also covered by a separate anti-bullying policy and regardless of whether the student makes a complaint, asks the School to take action, or identifies the bullying, cyber-bullying, or hazing as a form of discrimination.

The Executive Director will take reasonable steps to ensure that any person subjected to prohibited conduct will be protected from further hazing, bullying, cyber-bullying, abusive conduct, and retaliation and that any student or School employee who reports such prohibited conduct will be protected from retaliation.

If the Executive Director believes that any person who was subjected to or who caused conduct prohibited by this policy would benefit from counseling, the Executive Director may refer such individuals for counseling.

If the Executive Director believes that it would be in the best interests of the individuals involved, the Executive Director may involve the parents or guardians of a student who was subjected to or a student who caused hazing, bullying, cyber-bullying, or retaliation in the process of responding to and resolving conduct prohibited by this policy.

Incidents of bullying, cyber-bullying, hazing, and retaliation will be reported in the School's student information system as required.

## Student Assessment

The Executive Director or his/her designee will assess the prevalence of bullying, cyber-bullying, hazing, and retaliation in the School, specifically locations where students are unsafe and additional adult supervision may be required, such as playgrounds, hallways, and lunch areas.

## Training

The Executive Director will ensure that School students, employees, coaches, and volunteers receive training on bullying, cyber-bullying, hazing, retaliation, and abusive conduct from individuals qualified to provide such training. The training shall meet the standards established by the Utah State Board of Education's rules and include information on:

- (1) bullying, cyber-bullying, hazing, retaliation, and abusive conduct;
- (2) discrimination under the following federal laws:
  - (a) Title VI of the Civil Rights Act of 1964;
  - (b) Title IX of the Education Amendments of 1972;

- (5) the right of free speech and how it differs for students, employees, and parents or guardians; and
- (6) safe digital citizenship.

The training will also complement the suicide prevention program required for students under R277-620 and the suicide prevention training required for licensed educators consistent with Section 53G-9-704(1), and also include information on when issues relating to R277-613 may lead to student or employee discipline.

The training shall be offered to:

- (1) new school employees, coaches, and volunteers within the first year of employment or service;
- (2) all School employees, coaches, and volunteers at least once every three years after the initial training; and
- (3) all students (regardless of whether they are involved in athletics or extracurricular activities or clubs) at a frequency determined by the Executive Director.

In addition to the training requirements described above, any student, employee, or volunteer coach participating in a School sponsored athletic program, both curricular and extracurricular, or extracurricular club or activity, shall, prior to participating in the athletic program or activity, participate in bullying, cyber-bullying, hazing, retaliation, and abusive conduct prevention training. This training shall be offered to new participants on an annual basis and to all participants at least once every three years. The School will inform student athletes and extracurricular club members of prohibited activities under R277-613 and potential consequences for violation of the law and the rule.

The School will maintain training participant lists or signatures and provide them to the Utah State Board of Education upon request.

#### Liaison to Utah State Board of Education

The Executive Director or his/her designee shall act as the School's liaison to the Utah State Board of Education regarding bullying, cyber-bullying, hazing, abusive conduct, and retaliation.

#### Distribution of Policy and Signed Acknowledgement

The School will inform students, parents or guardians, School employees, and volunteers that hazing, bullying, cyber-bullying, abusive conduct, and retaliation are prohibited by distributing a copy of this policy to such individuals annually. A copy of this policy will also be posted on the School's website and included in any student conduct or employee handbooks issued by the School.

On an annual basis, School employees, students who are at least eight years old, and parents or guardians of students shall sign a statement indicating that they have received this policy.
