Moved meeting minutes to next meeting in September.to approve.

### **DIRECTIVE REPORT**

Had back to school nights, have at least 7 people interested in becoming part of the board. Current numbers at 222. Budgeted for 230, so working hard to get to the 230 mark. Most families that left moved out of state, and not because they didn't want to be at school. Put in for small expansion to add 7th grade, joined board meeting virtually.

The board discussed logistics of school and why it was important to add 7th grade, The board voted on it and it was approved for next year to add 7th grade. Still working on beginning of year testing.

### **FINANCE COMMITTEE**

Budget sent out reflects first month of fiscal year, not a lot of movement yet. Budget was tweaked to reflect current enrollment. Did receive first payment from state, received entire school and trust plan fund. Different grade levels are funded differently than 7<sup>th</sup> grade. So its critical to get 7<sup>th</sup> grade enrolled. Audit is underway, and everything is going smooth so far.

Next Board Meeting Wednesday September 17th 7:45pm

Tina made a motion to adjourn at 8:07 pm. The meeting was adjourned.
