## School Climate Survey Parent Notification and Opt-In Form

### General Information

The School Climate Survey is an anonymous survey used to assess stakeholder perception of a school environment ([Utah Code Section 53G-8-802](#) and [Board Rule R277-623](#)) and is administered to students and adults. Students can participate in the survey that aligns with their grade level. Student survey versions are: Kindergarten-2nd, 3rd-5th, and 6th-12th. Adults can participate in the survey that aligns with their role. Adult survey versions are: administrator, faculty and staff, school resource officer, and parent.

### Accessing the Survey

Copies of each survey version are available from your student's teacher, in the school office, and on the [Utah School Safety Data page](#).

### How the Data Will be Used

- Your district or charter school may use the data to:
  - Revise practices, policies, and training to eliminate harassment and discrimination in each school within the district or charter
  - Adopt a plan for harassment-free and discrimination-free learning
  - Host outreach events or assemblies to inform students and parents of the plans adopted from the review
- The Utah State Board of Education may review data to:
  - Inform or guide state policy
  - Offer professional learning to districts and charter schools
  - Provide technical assistance to districts and charter schools
- The public may view summarized survey data (e.g., aggregated results) for their awareness and information.

### Data Collection Information

Data collected for the School Climate Survey is housed by Qualtrics, while access to the data is managed by the district or charter and the Utah State Board of Education.

Information about Qualtrics and Merkle can be found at:

- [Privacy Policy](#)
- [General Data Protection Regulation](#)
- [Data Protection & Privacy](#)

### **Who will have access to my student's responses?**

Each student's response will be anonymous, with no name associated with their response. However, several entities will have access to those anonymous individual-level responses as listed below:

- District or charter primary survey administrators and other Qualtrics users involved in administering the survey
- Utah State Board of Education is the primary survey administrator of the Qualtrics survey
- As needed, district or charter and Utah State Board of Education survey administrators may grant temporary access to survey data to Qualtrics and Merkle (e.g. for technical assistance)
- Auditing agencies, as applicable. Agencies with the right to audit the data include the Office of the Legislative Auditor General or the Office of the State Auditor

### **Who will have access to summarized (e.g., aggregated) survey results?**

- Summarized district- or charter-level results are accessible to:
  - District or charter primary survey administrators and other district or charter staff involved in administering the survey
  - Utah State Board of Education primary survey administrators of the Qualtrics survey and other Utah State Board of Education staff involved in administering the survey
  - The school community, if published by the district or charter
- Where applicable, summarized school-level results are accessible to district or charter survey staff:
  - As we are a single small school LEA, all school-level data is identical to LEA-level data. Survey results will be reviewed by designated staff responsible for instructional planning and improvement at Good Foundations Academy.
