December 2025

NEWSLETTER

Dear GFA Families,

As we welcome the month of December, it's hard to believe that we are already approaching the end of the first half of the school year. With middle-of-the-year testing upon us and winter break just around the corner, our students continue to impress us with their enthusiasm for learning and the progress they are making each day. The growth we have witnessed this year is truly remarkable, and I am grateful for the energy and dedication they bring to our school community. With December now underway, I'd like to take a moment to update you on a few events coming up before we close out 2025.

Beginning Monday, December 15, families will have the opportunity to register for 3rd quarter after-school programs. This is always a great opportunity for students to explore new interests. More information will be coming your way soon. As we look ahead, please note, that our 2nd quarter after-school programs end on Thursday, January 8.

Mark your calendar for our annual "Winter Assembly" scheduled for Friday, December 19 at 9:30 a.m. This fun event showcases the singing talents of all our students as they perform a variety of festive winter songs. Please come and join us for this event!

A reminder that Winter Break begins on Monday, December 22. School will resume on Monday, January 5, 2026. We hope this time away from school allows your family to rest, reconnect, and create wonderful memories. Please note that the second quarter of school will end shortly after the break, on Friday, January 9, so it's important for students to wrap up any outstanding assignments before we head into the break. When students turn in all of their assignments before the quarter ends, it helps us capture the full picture of their hard work and growth. Thank you in advance for encouraging your child to stay organized and do their best – it truly makes a difference. Completing work on time is not only appreciated, but it also helps build confidence and supports their continued academic success.

As we wrap up the first half of the year, I want to extend my heartfelt appreciation for your ongoing partnership. Whether you volunteer in classrooms, chaperone field trips, attend school events, or support your child at home, your involvement makes a meaningful difference and strengthens our entire school community. We truly couldn't do what we do without the partnership of our amazing families.

Wishing you a joyful winter break and a New Year filled with good health, happiness, and continued success for all our students.

Warmest regards,

Lisa Erwin, M.Ed.

Monthly Recap

We had 28 volunteers attend our Committee Helper Day and talk with our students about their various jobs. We were also able to provide each volunteer with a snack bag. The money earned at our Panera spirit night will go towards providing a meal to our teachers at their next Professional Development Day.

FYI

Each teacher has a favorites list that is available to you by reaching out to your classroom parent or asking the office.

Each teacher also has an Amazon Wish List with items they would like for the classroom and personal use. If you would like to view their list please contact the Guardian Committee.
