

September 16, 2020

Dear GFA Families,

We are finally beginning to find our rhythm as we wrap up the first month of school and settle into a “new” norm. All of us at GFA are excited to have students back in our classrooms and learning online. Although this year looks different than any other year, we are committed to providing your child a memorable and engaging school year.

Our teachers are working tirelessly to master teaching both in person and online. It is quite the difficult task to manage two different groups of students as well as managing the various intricacies of Canvas, Zoom, Google Classroom, online textbooks, and other resources simultaneously. I feel very fortunate to lead a school with such dedicated faculty and staff.

I have also been very impressed at how our in-class students are following procedures relating to wearing their masks, navigating the “one-way” hallway signs, using the sanitizing stations properly, and adjusting to all the new Covid-19 requirements. For all our online learners, I want to thank you for your patience while we worked through the first weeks of technical glitches. Your perseverance and genuine appreciation of the challenges everyone is facing has been exceptional!

Partnering with families will be crucial this year as we face many obstacles due to the pandemic. We understand that in order to be successful in school our students need support from both the home and school. We are looking forward to a productive partnership with you this year and appreciate all the support you provide in helping your child meet their educational goals.

I want to thank you in advance for your support as we work together as a school community inspiring our children to strive for excellence. Please continue to reach out to your child’s teacher with any questions or concerns. We hope you will find that Good Foundations Academy is truly a place where learning is joyful, and children delight in coming to school.

Sincerely,

Lisa Erwin  
Executive Director  
Good Foundations Academy
