**Location and Description:** Itineris Early College High School is an independent Utah public charter high school that maintains a unique partnership with Salt Lake Community College (SLCC). Itineris was created as part of the early college high school initiative in the state of Utah and is located near the SLCC Jordan Campus. Itineris is a blended institution, providing college level courses through SLCC's Concurrent Enrollment program. Students come to Itineris in their freshman year and enter a rigorous high school program. Students generally begin college coursework during their 9<sup>th</sup> or 10<sup>th</sup> grade year. By the end of their senior year at Itineris, students finish their high school requirements and experience college in an environment that provides dual enrollment courses, a mature learning environment, and support in making the transition from high school to college both successful and positive. Approximately 25% of Itineris Early College High School graduates earn their associate degree, and another 25% earn a college general education certificate of completion, while finishing their high school graduation requirements.
