**Important Information for registering a new student**

- Children enrolling in K-12 grade levels must be 5 years old on or before September 1 to be enrolled in a Utah school, unless a student's parent is on active duty within a branch of the U.S. Armed Forces.
- Before registering a new student for enrollment, use a certified copy of the birth certificate or another legal document such as a passport for entering the student's legal name.
- Student names must be entered on the registration form exactly as they are on the birth certificate.
- Before a student is accepted for enrollment and the enrollment process is completed, the following enrollment verification documents are required to be brought to the school:
  - Original birth certificate (or affidavit of lost certificates), or another legal document such as a passport.
  - Certified and complete immunization records or official certificate of immunization exemption.
  - Proof of legal Utah residency, such as a utility bill or apartment lease. If this is the case, please contact the school to find out if other documents are required.
- For health information and medication disbursement, a form will need to be filled out at the school. This is for the safety of your student.
