Counselors Can Assist with:

❖ Social/Emotional Support:

- Stress, confidence, peer relationships
- Decision-making and self-management

❖ Academic Support:

- Classes, grades, and graduation progress
- Goal setting and 4-year planning

❖ College & Career Support:

- Career exploration and life after high school
- Connecting classes to future goals

A - G Requirements VS Graduation Requirements

- ❖ 230 credits required
- ❖ 40 hours of Community Service
- ❖ In addition to A-G:
2 years of Physical Education

You can go to college

A-G REQUIREMENTS

The University of California (UC) and California State University (CSU) systems require that students complete at least 15 courses in the areas listed below to be considered for admissions. Courses must be completed with a grade of "C" or better. Additional coursework beyond the minimum requirements is strongly recommended.

*Any courses taken in excess of the minimum required in any subject area may count toward the fulfillment of the College Preparatory Elective requirement.

A-G Requirements vs Graduation Requirements

	University of California	California State University	Fallbrook High School
A. History	2 years: World History and United States History	2 years: World History and United States History	3 years: World History, United States History and US Gov/Econ
B. English	4 years	4 years	4 years
C. Math	3 years (4 recommended) Int Math 1, Int Math 2, Int Math 3	3 years (4 recommended) Int Math 1, Int Math 2, Int Math 3	3 years: Int Math 1, Int Math 2, and third year math course
D. Laboratory Science	2 years (3 recommended) Biology, Chemistry and or Physics	2 years: 1 year of life science, 1 year of physical science	2 years: 1 year of life science, 1 year of physical science
E. Language other than English	2 years (3 recommended) of the same language other than English	2 years of the same language other than English	1 year of a language other than English/ Visual Performing Arts/CTE
F. Visual/Performing Arts	1 year	1 year	
G. College Prep Elective	1 year	1 year	
PE	Not an a-g requirement	Not an a-g requirement	2 years
Electives	Not an a-g requirement	Not an a-g requirement	80 credits
Community Service Hours	Not an a-g requirement	Not an a-g requirement	10 hours per school year enrolled

AP Capstone Requirements

AP Capstone Diploma™

AP Seminar

Year 1

Earn score of 3 or higher

AP Research

Year 2

Earn score of 3 or higher

4 AP Exams

Throughout High School
Earn score of 3 or higher

AP Seminar and Research Certificate™

AP CAPSTONE

QUICK GUIDE

AP Capstone is an innovative diploma program that provides students with an opportunity to engage in rigorous scholarly practice of the core academic skills necessary for successful college completion.

AP Capstone is built on the foundation of two courses — AP Seminar and AP Research — and is designed to complement and enhance the in-depth, discipline-specific study provided through AP courses. It cultivates curious, independent, and collaborative scholars and prepares them to make logical, evidence-based decisions.

AP Seminar

AP Seminar is a foundational course that engages students in cross-curricular conversations that explore the complexities of academic and real-world topics and issues by analyzing divergent perspectives.

AP Research

AP Research allows students to deeply explore an academic topic, problem, or issue of individual interest. Through this exploration, students design, plan, and conduct a year-long research based investigation to address a research question.

IB Diploma Requirements

- 6 IB courses during Junior and Senior year
- 3 no more than 4 Higher Level (HL) the rest Standard Level (SL) courses
- Theory of Knowledge course

IB Career Certificate Requirements

- 2 IB courses
- Complete a CTE Pathway
- Personal and professional skills course

Career & Technical Education (CTE) Pathways

CTE pathways become available starting sophomore year

- Transportation Technology
- Culinary Arts

Choose a CTE Pathway @ FHS

Why select a Career Technical Education pathway? CTE Pathways (2-3 courses) are designed to prepare students for high-skilled and high demand jobs emerging in San Diego County and beyond. Students have the opportunity to learn real world skills through project based learning projects.

Key: 2T= 2 Trimesters; 3T= 3 Trimesters; * = meets "f" requirement (VAPA); ** = meets "g" requirement (college-level elective); + = articulated course. student can earn early college credit

Get involved! Play a sport.....

- To try out for a sport, you must be cleared through the Athletic Department. Visit the Fallbrook High School website and follow: [Athletics](#) → [Athletic Clearance](#).
- Students earn PE credit only if the sport is scheduled during **5th period**. Please note that students are not placed into a 5th period sport until the Athletic Department confirms they have officially made the team.

*Core academic classes are scheduled first. Because of this, placement in a 5th period sport is not guaranteed.

Important Reminders

- our course requests help build the school's master schedule, so choose classes you feel confident you can stay in. A seat is reserved for you based on your selections, and changing classes later may be limited.
- If needed, schedule change or level-down requests may be submitted during the **first two weeks of the first trimester**. Changes are reviewed but are not guaranteed.

Important Reminders

- Graduation requirements are always the top priority when building schedules. Because of this, elective choices are not guaranteed.
- Be sure to select **three alternate electives** you would also enjoy taking so we can place you in a course that fits your interests.
- Requests to change teachers, periods, or trimesters **cannot be accommodated.**

Schedule sample for a 9th grader

FRESHMAN YEAR Sample Schedule
