The data obtained from these assessments may be utilized by teachers and administrators to review student academic progress, plan instruction, and share with students and parents. Summative assessments allow for data to be used in public reporting about school quality. Although you can submit a Parental Exclusion form at any point, if you submit the Parental Exclusion form to the school at least 24 hours prior to your child taking the test(s), the school will ensure that your child doesn't access the test(s). [Board Rule 277-404-7](#)

As a parent/guardian, I do not want my child to participate in the assessments below, during the 2025-2026 school year.

Note: This form must be returned annually to your local school.
