## 6202 SCHOOL INSTRUCTION FOR SEX EDUCATION

### **Purpose**

It is the position of Entheos Academy that it is the primary responsibility of parents to provide sex education for their children. It is the responsibility of the schools to provide supportive instruction that will complement the efforts in the home. The Board authorizes the District Administration to conduct non-discriminatory health, family life, and character instruction within the framework of guidelines established by the State Board of Education. Schools will provide instruction in community and personal health, physiology, personal hygiene, prevention of communicable diseases, refusal skills, and the harmful effects of pornography according to guidelines established by the Utah State Board of Education, as approved by the Entheos Academy Board of Directors.

### **Policy**

Each elementary school shall plan an elective maturation program for each fifth-grade girl and her parents and each fifth-grade boy and his parents. The primary purposes of the program will be to provide accurate information about sexual development and to encourage discussion in the home.

Parent approval shall be obtained by teachers in writing, using the Utah State Board of Education consent form.

The materials used in school presentations will be medically accurate and aligned with the State's Core Health Curriculum. These materials will be available to parents upon request before the presentations take place. Only Utah State Board of Education recommended materials that have been approved by the Entheos Board of Directors will be used.

District Administration will form an ad hoc Sex Education Materials Review Committee annually. The committee's membership will align with the requirements set forth in USBE [Board Rule R277-474](#).

The committee will review all educational materials and present the approved list to the Entheos Board of Directors for approval.
