New Bathroom – Brandon updated the Board on Duo Construction that was approved to build the kinder bathroom starting the week after school ends. Brandon has requested verification on many of the details of the project and Duo has been mainly unresponsive. In light of the unprofessionalism and lack of knowledge of Duo Construction, Brandon would like to cancel Duo Construction and recommends accepting the estimate for Shane's Structures, which he has full confidence in their work.

- Steve made a motion to accept Shane's Structures estimate, Heather seconded, all voted in favor, motion passed.

Steve made a motion to close the Board Meeting-ZOOM call at 2:42pm, Heather seconded, all voted in favor, meeting adjourned.
