ACADEMY

Instilling Accountability, Responsibility, Respect
364 N State Road 198 Santaquin, UT 84655

Dear C.S. Lewis Academy Families,

It is both an honor and a privilege to serve as the Executive Director of CS Lewis Academy. As both a parent and a longtime member of this community, I am deeply grateful for the opportunity to lead a school that means so much to my own family and to so many others.

Since joining CS Lewis Academy in 2020 as a parent, I have had the privilege of serving our school in many roles—including governing board member, classroom teacher, and now Executive Director. These experiences have strengthened my belief that our greatest strength is our people: our students, our dedicated staff, and our supportive families.

As we begin this new school year, my commitment is simple: to provide every student with an exceptional education in a school where they are known, valued, challenged, and inspired. We will continue to pursue academic excellence while instilling responsibility, respect, and accountability, preparing students not only for their next grade level but for a lifetime of success.

Our teachers and staff are committed to helping every child reach their full potential, and we know that strong partnerships with families make that possible. Thank you for the trust you place in us each day. Your support, involvement, and encouragement are essential to the success of our school community.

My door is always open, and I welcome your questions, ideas, and feedback. I look forward to working alongside you as we continue building a school where every child can thrive academically, grow in character, and discover their unique potential.

Thank you for the opportunity to serve your family. I am excited for all that this school year will bring.

With gratitude,

Devin Leavitt
