0003 SCHOOL BUS POST-TRIP INSPECTION

Purpose

The purpose of this policy is to ensure that all school bus drivers verify that the bus is empty and properly secured after transporting students.

Policy

All school bus drivers are required to conduct a thorough inspection of the bus at the conclusion of any activity involving student transportation. The inspection must include walking the full length of the bus interior to confirm that all students have exited safely.

After completing the inspection, the driver must ensure the bus is properly secured in accordance with school and transportation procedures.

Failure to comply with this policy may result in corrective action and employee discipline in accordance with LEA policies and procedures.
