HOW TO ENROLL

To enroll in benefits please access your **ADP** account and complete all required documents. <https://workforcenow.adp.com/>

WHEN TO ENROLL

The benefits you choose during open enrollment will become effective on July 1, 2026, or **1st of the month following 30 days** of employment.

HOW TO MAKE CHANGES

Unless you experience a life-changing qualifying event, you cannot make changes to your benefits until the next open enrollment period. Qualifying events include things like:

- Marriage, divorce, or legal separation
- Birth or adoption of a child
- Change in child's dependent status
- Death of a spouse, child, or other qualified dependent
- Change in residence
- Change in employment status or a change in coverage under another employer-sponsored plan

WHAT IF I DON'T WANT OR NEED BENEFITS?

You may choose to waive coverage during open enrollment. The Academy does not offer a Health Care In Lieu (HCIL) payment, so no compensation is provided for declining benefits.

You may enroll in the future during open enrollment or if you experience a qualifying life event.

DENTAL PPO INSURANCE

In addition to protecting your smile, dental insurance helps pay for dental care and usually includes regular checkups, cleanings, and X-rays. Several studies suggest that oral diseases, such as periodontitis (gum disease), can affect other areas of your body—including your heart. Receiving regular dental care can protect you and your family from the high cost of dental disease and surgery.

We're happy to say that there is a decrease in your dental benefit costs for 2026. The following chart outlines the dental benefits we offer through Sun Life Financial. Please visit the web link below (selecting the Sun Life Dental Network) to make sure your dentist is a provider to get the most savings on your dental care or call your dental office directly.

VISION INSURANCE

Driving to work, reading a news article, and watching TV are all activities you likely perform every day. Your ability to do all these activities, though, depends on your vision and eye health. Vision insurance can help you maintain your vision as well as detect various health problems.

John Adams Academy's vision insurance entitles you to specific eye care benefits. Our policy covers routine eye exams and other procedures and provides specified dollar amounts or discounts for the purchase of eyeglasses and contact lenses.

If you seek the services of a provider listed in our Preferred Provider directory of EyeMed (formerly MESvision), your benefits include the following:

- Copay - \$10 Exam/\$25 Materials - **\$0 Exam at PLUS Providers**
- Comprehensive Vision Exam – 1x per 12 months
- Lenses – 1 pair every 12 months
- Frame – One frame every 12 months
- Contact Lenses – Once every 12 months (in lieu of lenses)

BASIC LIFE/AD&D INSURANCE

Life insurance can help provide for your loved ones if something were to happen to you. John Adams Academy provides full-time employees with **\$50,000** in group life and accidental death and dismemberment (AD&D) insurance.

John Adams Academy pays for the full cost of this benefit—meaning you are not responsible for paying any monthly premiums. There is a benefit reduction once you hit age **65 of 35% and an additional 15% once you hit age 70**.

VOLUNTARY LIFE INSURANCE

While John Adams Academy offers basic life insurance, some employees may want to purchase additional coverage. Think about your personal circumstances. Are you the sole provider for your household? What other expenses do you expect in the future (for example, college tuition for your child)? Depending on your needs, you may want to consider buying supplemental coverage.

With voluntary life insurance, you are responsible for paying the full cost of coverage through payroll deductions. You can purchase coverage for yourself in **\$10,000** increments up to **\$300,000**, **\$5,000** increments for a spouse up to **\$100,000**, and either **\$5,000** or **\$10,000** for children. New hire enrollments are guaranteed to get **\$100,000** and for a spouse **\$50,000 without the need for Evidence of Insurability**. At Late Entry or Open Enrollment, any guaranteed amount is **\$10,000 without the need for Evidence of Insurability**. There is a benefit reduction once you hit age **65 of 35% and an additional 15% once you hit age 70**.

DISABILITY INCOME BENEFITS

John Adams Academy provides full-time employees with a long-term disability income benefit. Without disability coverage, you and your family may struggle to get by if you miss work due to an injury or illness.

At John Adams Academy, we want to do everything we can to protect you and your family. That's why John Adams Academy pays for the full cost of the long-term disability insurance—meaning that you owe nothing out of pocket.

If you become disabled from a non-work-related injury or sickness, after **180 days**, disability income benefits will provide a **60%** income replacement benefit up to a monthly maximum of **\$9,000**. This will continue to pay out if you remain disabled until **age 65**.

EMPLOYEE ASSISTANCE PROGRAM (EAP)

In partnership with ComPsych, Sun Life offers an EAP program that gives employees unlimited 24/7 access to a hotline. There are 3 telephonic appointments included per year with a professional counselor as well as the following: Legal resources, financial resources, work-life resources, guidance resources online, online health risk assessments, HR resources, discount, and reward programs, as well as direct-to-consumer reports. To learn more about this service, please call: 877-595-5281 or visit <https://www.compsych.com/>.

HEALTH SAVINGS ACCOUNTS

Health savings accounts (HSAs) are a great way to save money and budget for qualified medical expenses. HSAs are tax-advantaged savings accounts that accompany high-deductible health plans (HDHPs). HDHPs offer lower monthly premiums in exchange for a higher deductible (the amount you pay before insurance kicks in).

WHAT ARE THE BENEFITS OF AN HSA?

There are many benefits of using an HSA, including the following:

- **It saves you money.** HDHPs have lower monthly premiums, meaning less money is being taken out of your paycheck.
- **It is portable.** The money in your HSA is carried over from year to year and is yours to keep, even if you leave the company.
- **It is a tax-saver**—HSA contributions are made with pre-tax dollars. Since your taxable income is decreased by your contributions, you'll pay less in federal taxes.

The maximum amount that you can contribute to an HSA in 2026 is \$4,400 for individual coverage and \$8,750 for family coverage.

Additionally, if you are age 55 or older, you may make an additional “catch-up” contribution of \$1,000. You may change your contribution amount at any time throughout the year if you don't exceed the annual maximum.

HSA CASE STUDY

Justin is a healthy 28-year-old single man who contributes \$1,000 each year to his HSA. His plan's annual deductible is \$1,500 for individual coverage. Here is a look at the first two years of Justin's HSA plan, assuming the use of in-network providers. (This example only includes HSA contribution amounts and does not reflect any investment earnings.)

Year 1	
HSA Balance	\$1,000
Total Expenses:	
- Prescription drugs: \$150	(-\$150)
HSA Rollover to Year 2	\$850
Since Justin did not spend all of his HSA dollars, he did not need to pay any additional amounts out-of-pocket this year.	

Year 2	
HSA Balance	\$1,850
Total Expenses:	
- Office visits: \$100	
- Prescription drugs: \$200	(-\$300)
- Preventive care services: \$0 (covered by insurance)	
HSA Rollover to Year 3	\$1,550
Once again, since Justin did not spend all of his HSA dollars, he did not need to pay any additional amounts out-of-pocket this year.
