

PARENT TOOLS

Follow these steps to set up parent accounts for Canvas, Parent Square and Infinite Campus

To prepare for a successful school year as a JAA Online parent mentor, please sign in to the following platforms:

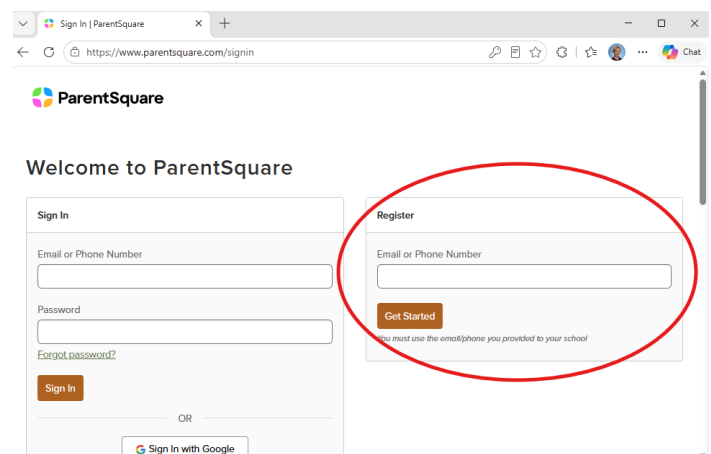

Canvas – JAA learning management system is your #1 stop for information. Here you can see all your scholars' assignments, submissions, mentor feedback and grades. You can also find many resources in the Online Parent course.

1. Navigate to **jaa.instructure.com**
2. Select Forgot Password
3. Enter the parent email address used at scholar registration.
4. Follow the link in your email to set your password

Parent Square – JAA communication tool for event signups, in-person opportunities and Academy-wide communication such as board meetings and the annual fundraiser.

1. Navigate to **parentsquare.com**
2. In the Register box on the right, enter the parent email address you used at scholar registration.
3. Follow the link in your email to set your password.

Infinite Campus – JAA Student Information System (new for 2026), this is where official student data is stored, along with scholar schedules and transcripts for high school (uploaded at the end of each semester).

1. If you have received an email from Infinite Campus with an access code, proceed to step 3.

2. If you have not received an email with an access code, please email

ICsupport@academicanv.com.
