Summit Academy Mission Statement

“Summit Academy excites a student’s desire to learn and succeed now and in the future. Our dynamic student-teacher-family community sees each student as a whole person and together creates a challenging individualized educational journey toward intellectual success and personal well-being.”

Values

- Summit is a student-centered learning community based on the principles of safety and respect.
- Summit Teachers are innovative, committed and motivated to provide quality professional instruction.
- Parental involvement is important to the personal success of each student.
- Summit's curriculum builds from year to year and specializes in core knowledge acquisition and application.

Philosophy

Well-Rounded Programs

The school maintains that the academic experience is enhanced by student involvement in athletics, leadership opportunities, the arts, and immersion in technology and career exploration. SAHS supports and fosters a program with a diverse set of well-rounded programs while recognizing that core academic subjects are the basis of the school and individual programs exist to support and enhance that key focus.

Scholar Program

The school recognizes that students have different academic needs as they prepare for college. Distinct academic pathways will be offered for course planning and goal setting. The pathways have been developed to meet university standards.

Academic Integrity

Academic dishonesty, including plagiarism, cheating, copying of another’s work, use of AI, or any unauthorized communication for gaining advantage during an examination or on an assignment is prohibited. Plagiarism includes copying text and graphics from the internet without proper citation.

Students suspected of academic dishonesty will be given a chance to defend their work with the involved faculty member. The student also has the option of appealing a teacher’s allegation of academic dishonesty with the administration. If it is determined that a student has violated this policy, that student will be subject to consequences that may involve loss of credit for the assignment/test up to disciplinary action from the administration.

Extracurricular Eligibility

Summit Academy High School has implemented an attendance and grade eligibility program for all extracurricular activities. The eligibility policy will follow the UHSAA Eligibility rule that "In the preceding grading period, players earned a minimum of a 2.0 GPA on a 4.0 scale or its equivalent" (UHSAA.org) with zero Fs in any subject, including advisory. Non-athletic activities will be based on the current grading period.

Students will be **ineligible** to participate in any extracurricular activities (field trips, games, club activities, tours, etc) if they have one or more of the following the day of the event:

1. One or more failing grades (F's)
2. Are absent from any class on the day of the event
3. Four or more absences in the week leading up to the event (only excused by medical note)
4. Eight or more tardies in the week leading up to the event
5. One or more "sluffs" in the week leading up to the event

Coaches and advisors may have additional requirements for their activities

Eligibility will be pulled the morning of the event by 8:00am

If a student is found ineligible by 8:00am, they will not be allowed to participate in that day's event

Student Expectations	Parent Expectations
Keep track of Grades	Check your students' grades in Aspire regularly
Be on time to classes	Encourage your student to be on time. Tardies cannot be excused by parent/guardian
Communicate with teachers and coaches regarding grades and attendance	Communicate with teachers, coaches and administration regarding questions or concerns

How to regain eligibility:

1. Failing grades- Students will need to work with their teacher(s) regarding failing grades.
2. Attendance - Students will have opportunities to make up attendance through Attendance School.

Attendance and grades reset each term.

Advanced Placement (AP)

Our AP teachers and administrators have high expectations for our students and want to provide them the best possible opportunities as they prepare for college and life beyond high school. Most Colleges in the U.S. grant between 3-12 credits for AP scores. To explore college AP credit policies, visit: <https://apstudent.collegeboard.org/creditandplacement/search-credit-policies>.

AP courses offer the most rigorous curricula possible; therefore, students will have a substantial number of assignments throughout the summer and school year. College Board suggests that students can plan on approximately 2 hours of homework per credit hour each week, but time will vary. Taking an AP course is a collaborative effort, and each party must commit to meet specific expectations stated in the AP contract.

Alternative Credit Options

Students should take responsibility for their grades and meeting their high school goals. If a student needs to make up credits, students should make up those credits as soon as possible. Students also have the option to replace grades on their transcript through various programs.

Please contact your counselor as soon as possible to develop a plan for credit recovery or graduation.

Attendance Policy

In alignment with Summit Academy's mission to prepare students for success in college and/or career readiness, it is understood that explanations, clarifications, interactions, and discussions taking place in the classroom are invaluable components of the school learning experience. **Research has demonstrated that attendance is one of the strongest predictors for success in the classroom; ultimately yielding academic achievement.** Because the educational process requires both instruction and ongoing learning, once classroom instructional time is lost, it is very difficult to regain. Regular attendance is required by Utah State Law (Public Law 53A-11-101). The law further states that every parent or guardian has the responsibility of sending his or her child to school. The Administrative Staff at Summit Academy High School are committed to the success of students.

Student Responsibility:

- Be on time and attend all classes
- Follow proper check-in/checkout procedures at the front office
- Obtain assignments from the teacher due to any absences
- Utilize Aspire and Canvas to monitor attendance and/or academic progress

Parent/Guardian Responsibility:

- Support SAHS attendance policy and state law by ensuring student's regular attendance at school
- Make every effort to schedule medical appointments and family vacations that do not require loss of school time
- Parents are encouraged to check daily attendance and grades on Aspire: <http://summit.usoe-dcs.org>
- Follow check-in and check-out protocol---see instructions below

- Notify the attendance office (phone call, email, or note) within 3 days of an absence. The note must include a phone number at which the parent can be reached and a parent signature.

Teacher Responsibility:

- Implement the **“First 10”** every class period immediately after tardy bell
 - Record attendance
 - Provide a relevant learning activity
 - Check dress code
- Provide a high-quality learning environment through specific, tailored, and relevant curriculum
- Recognize students for attendance, in-class participation, and student achievement
- Contact parent/guardian upon the student’s 3rd absence
- Communicate with SAHS administration when student attendance necessitates further intervention

SAHS Responsibility:

- Account for student attendance promptly and accurately
- Notify parent/guardian of absences through electronic messaging and Aspire
- Contact parents when a student misses five consecutive days.
- Unenroll students who miss ten consecutive days.
- Approve or deny application for vacation leave
- Work cooperatively with parents/guardians and students
- Enforce and uphold both SAHS guidelines and Utah State Compulsory Education Law which may include a referral to the Department of Children and Family Services (DCFS).

Attendance: Check-In and Check-Out Protocol

For safety and accountability reasons, students and parents must follow the check-in and check-out procedures.

If it is necessary for a student to leave before the end of the school day, the student must be checked out by their parent or approved guardian before leaving class and the student must sign out at the front office before leaving campus. If a student leaves school without following the check-out protocol, the student’s attendance will be coded as a sluff. If the student is being checked out via phone or note from parent, the front office staff may follow up to verify the absence.

Students arriving more than 10 minutes late to school or class, must be checked in at the front office by a parent or they will be marked as an Unexcused absence.

Attendance Codes: Description codes used on Aspire (Student Information System)

- X** **Unexcused:** marked when a student is absent from class or misses half or more of a class. Parent or Guardian is responsible to call and excuse the absence within 3 school days.
- E** **Parent Excused:** marked after correspondence from a parent or guardian excusing a student’s absence.
- S** **Sluff (Verified Truant):** marked when a student is knowingly absent from class without parent or school permission. This includes a student leaving class for more than ten minutes, even if they have a hall pass.
- T** **Tardy:** marked when a student arrived at the classroom after the tardy bell or arrived unprepared and had to leave class to get materials.
- L** **Late:** Marked when a student arrives more than ten minutes late but still attends most of a class period.
- D** **Tardy Excused:** Teacher will change a T (tardy) to a D when a student has worked with their teacher to make-up the tardy.

- A** **School Excused Activity:** Marked when student is excused due to a school approved activity.
- V** **Preapproved Extended Absence:** Prior to the extended absence, the student must submit an Extended Absence Request form for verification and approval from administration.
- C** **Check In:** marked when a student is checked into school by a parent or guardian.
- Y** **Check Out:** marked when a student is checked out of school by a parent or guardian.
- H** **Homebound:** marked when a student is placed on Homebound instruction under a doctor's care – paperwork is required
- M** **Medically Excused Absence:** marked when a student misses school for a medical reason and returns with a note from a medical professional.
- I** **In School Suspension**
- Z** **Out of School Suspension**
- O** **Student in the Office**

Attendance: Parent Excused

Parents may call or email the front office to excuse their student's absence(s): mainoffice@sahs1.org
801.495.3272

A student who is late for class past 10 minutes will be marked and counted as absent. 1st period tardiness does not have special consideration. Please allow sufficient time for traffic, inclement weather, etc.

As per Utah State Code, a student who has ten (10) consecutive unexcused attendance days will be unenrolled from Summit Academy High School. In cases of extenuating circumstances, such as an extended illness under a physician's care, parents need to contact an administrator to create an educational plan for the student.

Attendance School: Students will have the opportunity to make up tardies and absences each morning by participating in Attendance School. Students must sign up the day before attending and pay a five-dollar fine to the front office. Attendance School starts at 7:00 am and ends at 7:50. Each day of attendance school can make up for 1 absence or 4 tardies.

Attendance: School Excused Activities

Students with a school excused absence due to participation in a school-sponsored activity (e.g. student government, choir, band, athletics, debate, etc.) will receive an "A" for their attendance mark, and this will not count against the attendance record.

Information regarding each class and grading procedures will be included in each teacher's individual disclosure document. Students will be required to contact their teachers to receive work, and complete it in a timely manner, from any class missed due to legitimate absences. Make-up work will be handled as per procedures outlined in teachers' disclosure statements.

Attendance: Preapproved Extended Absence

A parent/guardian may request approval from the principal or designated administrator prior to a student's extended absence of up to ten (10) days per school year. The principal or designated administrator may approve the absence if they determine that the extended absence will not adversely impact the student's education. Absences that are not approved are considered unexcused.

Preapproved Extended Absence forms are available in the main office and must be submitted to the school two weeks prior to the leave of absence. Students are required to get signatures of all teachers and a member of the administration indicating that they have communicated the planned absence and have collected

assignments. Students are responsible for making up all missed work during their extended-release period. Completed forms must be turned into the office PRIOR to the absence. ***Absences may not be excused for forms turned in after the absence dates.***

Attendance: Truancies and Trespassing

Summit Academy High School is a closed campus. During school hours, students are authorized to leave campus only under the following terms:

1. To purchase lunch during lunchtime
2. To attend a Release Time class
3. To attend classes at a community college or tech center
4. To go to work as part of a work release program
5. To return home or travel to a doctor's office after checking out with parent permission
6. To participate in a school related excused activity (i.e. athletic event, band performance, etc.).

Advisory, assemblies, and activities during the school day are designed for remediation, enrichment, instruction, and social education of each student. As a result, student attendance expectations will be enforced.

Students found off-campus without permission during school hours are truant (sluffing). Students found on campus who are on release from campus under the guidelines outlined above **will be considered trespassing** and may be charged. Truant students and trespassing students will face consequences as determined by the administration and/or local law enforcement.

**** Although it is intended that the SAHS Attendance Policy will be enforced with fidelity, Summit Academy High School administration may see reason to amend, modify, or interpret the attendance policy and corresponding protocols on a case-by-case basis.**

Cell Phone and Electronic Devices

Summit Academy's cell phone policy aligns with Utah law SB69. Students are not permitted to use cell phones from the time the bell rings to begin the day, until the bell rings to dismiss for the day. Summit Academy's cell phone policy can be found on our website under Board Policies.

Parents should refrain from calling or texting their students during class time. If a parent must speak to their child, they are asked to go through the office. Any changes in this policy to conform with Utah law will be communicated to students and their families.

Citizenship Grade:

Summit Academy High School believes that a well-rounded education includes learning how to behave and act in various settings. It is the desire of the school that all students show respect for themselves and others while in school and participating in school events. Students will receive a quarterly citizenship grade for each class they are enrolled in, based on the rubric below.

*All tardies "T" must be made up by the student with the individual teachers or by going to Attendance School.

Citizenship grades are assigned by each teacher and are posted on students' official report cards.

Citizenship grades will not prevent a student from receiving credit in a course.

Students may be ineligible for Extracurricular activities due to citizenship. *See: Activity Eligibility

Closed Campus

Students can leave campus only:

1. To purchase lunch during lunchtime
2. To attend a Release Time class
3. To attend classes at a community college or tech center
4. To go to work as part of a work release program

5. To return home or travel to a doctor's office after checking out with parent permission
6. To participate in a school related excused activity (i.e. athletic event, band performance, etc.).

Students who are off campus during school hours without school/parent permission are truant. Police officers who find these students off campus are required by law to return them to school. Students are expected to attend advisory, and assemblies scheduled during school hours since they are part of the regular school program.

Computer & Technology Use

Students will be allowed to use the internet at school and must abide by the rules and regulations set forth in the *Information Network Acceptable Use Policy found on the Student Wireless Access Form and the Guest Network information page*. It is acceptable for students to bring a laptop, tablet, or personal device for daily use, and are expected to bring their school issued Chromebook. When using their Chromebook students are expected to use their SAHS assigned username and password while accessing the internet on school grounds. Misuse of technology will result in the student being restricted from access to the school network and/or may be subjected to additional disciplinary action.

Students will be held responsible for their actions, which are monitored and tracked while using school computing devices or the school network. Students should not download inappropriate or copyrighted material and should not disclose personal information.

Concurrent Enrollment

Summit Academy High School encourages students to take the opportunity to take advanced courses. One option for students is concurrent enrollment classes. Concurrent enrollment classes are offered both on the high school campus and the campuses of Salt Lake Community College. Students may only register for concurrent enrollment classes for which they meet the prerequisites. These prerequisites are set by SLCC.

Students enrolled in courses held on a SLCC campus may leave the SAHS campus to attend classes. A twice-daily bus is in place to shuttle students between the SAHS Campus and the SLCC Jordan Valley Campus.

The grades earned in CE classes will be recorded on both a student's high school and college transcripts. Students taking concurrent enrollment courses must abide by all policies of SLCC, including enrollment and registration for courses. It is the student's responsibility to know these policies. Students should be especially aware of SLCC grading policies and how grades earned in concurrent enrollment courses may affect a student's future ability to qualify for federal financial aid.

Counseling Center

The SAHS Counseling Center is an accredited organization which adheres to the Utah Model for Comprehensive Counseling and Guidance:

- *Individual Planning*: assist students with post-secondary and career planning through various guidance activities and facilitate individual planning as outlined in the student's Plan for CCR (College and Career Readiness) conference.
- *Responsive Services*: facilitate or initiate activities to meet students' immediate needs and concerns which may require counseling, consultation, peer facilitation or information, and referrals to appropriate agencies.
- *Guidance Curriculum*: work with teachers and the school community to develop, implement and evaluate ongoing lessons and curriculum targeted at college, career, and citizenship planning.
- *Systems Support*: support systems and activities that promote the general welfare of the students, faculty, community and administration.

Disrespectful Behavior and Insubordination

The refusal to follow a reasonable directive by a teacher, administrator, and/or other school personnel is considered insubordination and is prohibited. Such behavior is subject to disciplinary action and may be grounds for suspension.

Respect for Staff

To maintain a safe, orderly school environment, the authority of school staff members acting in their official capacity must be respected. For this reason, any form of verbal or physical abuse towards staff will be treated as a serious offense warranting suspension or expulsion. If concern about a staff member's exercise of authority cannot be satisfied in direct, appropriate discussion with the individual, that concern should be brought to the attention of the administration.

Staff Authority

Teachers and staff have the responsibility and authority to correct the behavior of any student, especially if it is unsafe or of such nature as to bring discredit to the individual, the school or the student body. Disrespect directed at staff will not be tolerated.

Drugs, Alcohol, Tobacco & Vaping

The possession, sale, or use of alcohol, drugs, imitation drugs, tobacco, and vaping devices will result in immediate disciplinary action. This includes possessing any paraphernalia or being under the influence of any illegal substance on school property and at school activities. Any individual selling an illegal substance in or around the school will face an enhanced criminal code violation and will be prosecuted, which includes referral to law enforcement.

Alcohol or drug violations on or within 300 feet of school property, at school events, or at any time the student is subject to the school's "good neighbor" initiative will result in disciplinary action by school officials, notification of parents, and possible involvement of police. This includes suspension and possible expulsion. There is a minimum of a three-day suspension on the first offense.

Fighting, Threatening, Assault, Intimidation

Fighting, threatening, intimidation, assault, verbal and physical bullying, and types of battery at school or at school-related activities are prohibited and will require disciplinary action. Injuries, damages, and medical costs associated with fighting are the responsibility of the involved students. Police may be involved based on the severity of the situation.

Fighting, defined as physical contact with another person intended to cause harm, is never appropriate on a school campus. This is distinguished from the type of play - especially that of younger students - in which participants may exceed the bounds of good judgment without intending to injure one another.

Intimidation, defined as the intentional behavior by a student or group of students that places another student or group of students in fear of harm to a person or property. Intimidation can be manifested emotionally or physically, either directly or indirectly, and by the use of social media.

Bullying (R277-613-1B) defined under the Harassment Section of the Student Handbook

False Emergency or Hoax

Pulled fire alarms, threatened violence*, disruption, bomb threats, telephone 911 calls, hoaxes, jokes, pranks, etc., are considered false emergencies and are prohibited.

*Threatened violence: Students engaging in behavior or actions that threaten the safety or security of the campus will be disciplined accordingly. This includes any verbal statements, social media posts, written statements, or gestures that may be construed as threatening to the safety of the school. Students engaged in disruptive behavior that presents an imminent danger of bodily harm to themselves or others may be restrained or secluded to mitigate the danger to the safety and wellbeing of the educational environment. In the event that seclusion or restraint is used, parents will be notified within 24 hours.

Our priority is to ensure the safety of all students and staff at Summit Academy High School, so all threats will be taken seriously. Any threat to harm the school, others, or self, regardless of the nature, will be treated as real until proven otherwise, after being investigated thoroughly by administration and may result in disciplinary action involving suspension, expulsion, and/or law enforcement.

We rely on open communication with students and staff to help keep Summit Academy safe. Students are encouraged to report any threat or perceived threat to a staff member of Summit Academy, directly to law enforcement, or through the SafeUT app.

Fines

Fines will be assessed to cover the cost of damage or loss of school property such as books, desks, chairs, computers, physical property, etc. Students must pay all fines and other financial responsibilities before

transcripts are released. In addition, students with outstanding fines may be prevented from participating in graduation ceremonies.

Food

Food should be eaten at designated times and in designated areas such as the cafeteria. Food should not be consumed during class times.

Grading Philosophy

Teachers are responsible to ensure that final grades adequately reflect a student’s mastery of content. The grading policy of each teacher will differ, depending on the class and level of course rigor. Each teacher’s grading policy should be given in a course syllabus or disclosure statement. If there is an issue with a student’s grade, the student and parent should contact the teacher directly for clarification.

Grade Percentages with Grade Point Calculation

					A	94%	-	100%	4.0		A-	90%	-	93%	3.7
B+	87%	-	89%	3.3	B	84%	-	86%	3.0		B-	80%	-	83%	2.7
C+	77%	-	79%	2.3	C	74%	-	76%	2.0		C-	70%	-	73%	1.7
D+	67%	-	69%	1.3	D	64%	-	66%	1.0		D-	60%	-	63%	0.7
					F	0%	-	59%	0						

The Valedictorian and Salutatorian will be determined based on a set combination of factors. The Class Rank Index (CRI) model for calculation of GPA and class rank portrays a complete, holistic picture of student achievement. Students receive incentives for taking rigorous courses, such as honor, AP, and CE classes, and are rewarded for taking maximum course loads. Students who transfer to SAHS their senior year are not eligible to be the Valedictorian or Salutatorian. A weighted grade point average, considering Advanced Placement, concurrent, and honors level courses, will be used to determine the highest cumulative GPA’s for valedictorian and salutatorian selection.

Graduation

Students who have completed the minimum requirements for graduation may participate in the school’s graduation ceremony held at the end of the year. Participation in graduation ceremonies is a privilege. Students not in good standing with the school may not participate in graduation ceremonies. Students with outstanding fees or fines may not be allowed to participate in graduation ceremonies.

Students wishing to graduate early after their junior year must meet all graduation requirements on the date set by the school counseling department, typically two weeks before the graduation ceremony. Juniors wishing to graduate early must also declare their intent to graduate to their counselor before the beginning of the second semester of their junior year.

Students wanting to participate in graduation ceremonies will be required to procure the appropriate regalia through the school's contracted provider. Students are responsible for covering the cost of obtaining graduation regalia. Graduating students are also expected to abide by the expectations of the graduation committee, including the prescribed dress code and attending mandatory rehearsals.

Students not participating in the graduation ceremonies, but who are eligible for a diploma, may pick up their diploma at the school during business hours.

Harassment & Bullying

To assist in achieving a safe, positive school environment, bullying or harassment, as defined by this policy, will not be tolerated. Students who harass or bully others, whether by word, gesture, or action will be disciplined accordingly, which may include suspension and expulsion.

A complete copy of the school's policy on bullying, cyber-bullying, hazing, and retaliation can be found on the school's website. (Board Policy- Bullying and Hazing 5203)

Sexual harassment consists of unwelcome sexual advances, requests for sexual favors, sexually motivated physical conduct or other verbal or physical conduct or communication of a sexual nature when that conduct or communication has the purpose or effect of substantially or unreasonably interfering with an individual's education, or creating an intimidating, hostile or offensive educational environment. This may include but is not limited to:

- verbal, written/graphic harassment, or abuse
- subtle pressure for sexual activity
- intentional brushing against the individual's body
- any unwelcome touching of a sexual nature

Sexual harassment or sexual abuse will result in disciplinary action and the possible referral to law enforcement.

Hate language directed at any group or individual whether for ethnic stereotypes, religious affiliations, or sexual preferences will be considered harassment. Students who feel they are being harassed by another student or adult should immediately report this action to a teacher, counselor, or administrator.

Reporting forms can be found in the main office.

We rely on open communication with students and staff to help keep Summit Academy safe. Students are encouraged to report any threat or perceived threat to a staff member of Summit Academy, directly to law enforcement, or through the SafeUT app.

Hazing or Initiation

Hazing activities of any type are prohibited. Hazing is defined as doing any act or coercing another to engage in any act of initiation that creates a substantial risk of causing mental or physical harm to any person.

Permission, consent, or assumption of risk by an individual subjected to hazing does not lessen the prohibition contained in this policy. Knowledge of hazing, or planned hazing is to be reported immediately to school personnel. (Board Policy- Bullying and Hazing 5203)

Reporting forms can be found in the main office.

We rely on open communication with students and staff to help keep Summit Academy safe. Students are encouraged to report any threat or perceived threat to a staff member of Summit Academy, directly to law enforcement, or through the SafeUT app.

Homework Policy

Homework is a natural expectation of the education process. Because SAHS is committed to “provide a rigorous academic experience designed to prepare students to excel in a competitive collegiate environment,” students should expect homework.

Students are required to turn work in on time. If a student is absent, it is his/her responsibility to work with the teacher to make-up any missed homework assignments. Individual teachers may have different policies which are to be defined in their class disclosures. Teachers do not have to accept late work if their policy is clearly dictated in the disclosure statement given at the beginning of the course. It is the responsibility of the student to know and abide by these policies.

Honor Roll

The honor roll and high honor roll recognition is awarded to those students who achieve a high measure of success in their course of study at Summit Academy. Any student is eligible for the honor roll providing he/she has obtained a 3.5 average or better GPA. Any student is eligible for the high honor roll providing he/ she has obtained a 3.75 average or better GPA. This recognition is based on quarter grades.

Illness During the School Day

A student who becomes ill during the school day should report to the front office. Sick students waiting for their parents will be supervised in the front office. To avoid being marked truant, students must adhere to the student check-out procedure.

In case of serious injury or life-threatening emergency, the school will call emergency services. The student's parent/guardian will be notified as soon as possible.

Lockers

Hall lockers with combinations are issued to students at the beginning of the year upon request.

The school is not responsible for lost or stolen items so all lockers (including gym lockers) should be kept locked at all times.

Do not leave personal belongings on the floor in the locker room. Damage caused to lockers will be charged to the responsible student.

Lockers are the property of the school and may be searched at any time.

Lost and Found

Lost and found articles will be collected in the front office. Owners must accurately identify lost items in order to reclaim them. Unclaimed items will be donated to charity at the end of each month. The school is not responsible for any lost or stolen items due to negligence by the student.

Medication at school

School personnel may administer medication to a student if it complies with the administration Medication Administration Policy found on the school's website. (Medication Administration Policy) Faculty and staff members are not allowed to provide any medication to a student without the proper forms on file in the office.

All medications kept on campus must be clearly identifiable and stored in a container that clearly is labeled.

SAHS students may retain and self-administer medications subject to the following:

- The medication, prescription or non-prescription, shall be taken only as directed by prescription or manufacturer's directions.
- The medication, prescription or non-prescription, shall not be sold, shared, or otherwise given to others.
- The amount of self-administer non-prescription medication a student carries at any one time does not exceed an eight (8) hour dosage.

Violations of this policy may be regarded as substance abuse and/or dangerous and disruptive conduct and may result in disciplinary action including suspension and referral to law enforcement. Authorization to carry and/or self-administer medication may be denied or withdrawn by the school principal at any time following actual notice to the student's parent or guardian.

Non-Discrimination

It is the expectation of Summit Academy's faculty and students not to discriminate based on race, color, national origin, gender, sexual orientation or disability in any educational program or activity.

Parking & Driving Expectations

Each vehicle parked at SAHS must have a SAHS parking permit properly displayed on the lower left corner of the front windshield. Permits cost \$15.00 each and may be obtained from the Front Office. Students will need to purchase a new permit each year or verify the parking pass number of a previously purchased SAHS parking pass.

A student's vehicle may be searched when on school property if school authorities have reasonable suspicion that materials in violation of state, country, municipal, or school codes are stored within the vehicle or that there is an immediate safety concern. Any materials or other improper items found during the search may be seized and used as evidence in school disciplinary hearings and legal proceedings.

Students who park in reserved areas such as visitors parking area, handicapped parking, or in any "no parking" zone will be fined by the school. Repeated violations may result in vehicles being booted or towed.

The speed limit on SAHS property is 10 MPH. Students are encouraged to take driving safety seriously. On campus parking privileges may be revoked for any of the following: erratic driving behavior, repeated violations, and/or unsafe driving on school property.

Public Display of Affection (PDA)

Companionship and friendship in good taste are encouraged. Anything beyond holding hands or brief hugs is considered an inappropriate display of affection. Public displays of affection are not appropriate during classes, in hallways, during school sporting events, school dances, or any other school function. Behavior which lacks appropriate restraint may necessitate involving administration and will be handled on an individual basis.

Request for Homework

Students should first check their classes Canvas page for homework assignments. If more information is needed, the student should e-mail teachers directly. The office will handle homework requests for extenuating circumstances only.

Schedule Change Policy

Student schedules are a high priority for school counselors. The aim is to ensure each student is enrolled in the appropriate classes. If the school has made an error, your schedule will be fixed as soon as possible. If a

student has made an error and requires a class for graduation or to meet college entrance requirements, we will do what we can to change your schedule as soon as possible. Schedule changes may be subject to a \$5 per class change fee.

Schedule changes WILL be made by the counseling staff for the following reasons and based on availability:

- Academic misplacement (ie. student has chosen the wrong level of class or has chosen a class without meeting the pre-requisite criteria)
- Program change (ie. student has recently met the criteria for a concurrent enrollment course)
- Missing an academic class (student is missing a core class such as English, history, math or science)
- Missing a graduation requirement (ie. a senior is missing a course necessary to graduate in the upcoming school year or a junior student is missing US history)
- Gap in schedule with no registered class
- Adding Education Release to attend SLCC or Tech Center

Personality conflicts will not be justification for changing a class. All conflicts should be resolved in a mature, professional manner. The student and parent are asked to **FIRST** meet with the teacher and work through the problem. If a resolution cannot be reached, then the parent or teacher should contact an administrator to mediate the issue. If a class change is then granted by an administrator, it will be based on subject availability and made with the least impact to the student's schedule.

Students are allowed one release time class in a standard eight-period schedule. Release time must be pre-approved by parents using an approved form. Students who have release time on their schedule must be off campus during that time.

School Dances & Functions

School functions are an extension of the school day, therefore, conduct expectations are still applicable.

Guests may be brought to a SAHS sponsored dance with prior approval from an Administrator. A form to be completed is available from the front office.

Students should remember that they represent SAHS when they attend events held off campus. Students are encouraged to enjoy sporting events but do so with good sportsmanship. The school's non-discrimination policies apply to students participating in all school functions. Negative chants and/or cheers may lead to disciplinary action.

Search and Seizure

To maintain order and discipline at SAHS and to protect the safety and welfare of students and school personnel, school authorities may search a student, their property, student use areas, student lockers or student automobiles and may seize any illegal, unsafe, unauthorized, or contraband materials discovered in the search. Details of this policy may be found in Board Policy 5202 – Search of Personal Property on the school's website.

The school's administration shall attempt to obtain the freely offered consent of the student to the inspection; however, provided there is reasonable suspicion, the administration may conduct the search without such consent.

Electronic devices may be confiscated and searched as part of the search and seizure process. Anything found in the course of a search which is evidence of a student violation of school rules or federal/state laws may be seized and admitted as evidence in any suspension or expulsion proceedings. Items found in violation of school rules will not be returned to the student. Any illegal items found may also be turned over to law enforcement.

School officials have no obligation to contact parents before detaining and questioning students. Parents will be notified when a student has been questioned or searched as soon as reasonably possible. A student's failure to permit searches and seizures as provided in this policy will be considered grounds for disciplinary action.

Student Deliveries

Items will not be delivered to students during class. Students will not be able to leave class to accept deliveries. Parents who need to drop off necessary items (ie. calculator, homework, lunch, etc) can drop them off at the front office. An office aide may deliver the item to the student, or the student may be called down to the office to retrieve the delivery. ***The front office will not accept deliveries of flowers, balloons, food items, etc. on behalf of students.***

Repeat and subsequent dress code violators will be subject to disciplinary action up to and including suspension. Any absence related to dress code violations will be treated as an unexcused absence.

The instructional staff at Summit Academy High School is responsible for ensuring that students comply with these standards.

Substitute Teachers

Substitute teachers are considered staff members and should be treated as SAHS faculty. Please refer above to the section on disrespectful behavior.

Surveillance

Summit Academy uses video surveillance equipment in the building and the parking lots as one of many measures to promote the safety and security of students, staff, and visitors. The school makes every effort to balance the rights of personal privacy with the duty to provide a safe learning environment and to protect school facilities and property. Only school and law enforcement personnel are allowed to view video surveillance. The school complies with all applicable state and federal laws related to video recordings when such recordings are reviewed, used in investigations, or retained as part of a student's record.

Video recording equipment is installed in visible, conspicuous areas throughout the building. The equipment will not monitor areas where the students, employees, and public have a reasonable expectation of privacy, such as locker rooms or restrooms (in those areas, air quality detectors may be used to monitor activity such as smoking or vaping). The equipment is in operation 24 hours per day. Video recordings shall only be reviewed when there is a need to do so, either because an incident has been reported or is suspected to have occurred.

Staff and students are prohibited from unauthorized use, tampering with, or otherwise interfering with video recordings and/or video camera equipment and will be subject to appropriate disciplinary action.

Suspension

Suspension is an action meant to correct unwanted behaviors and/or protect the staff and students of SAHS. Prior to expelling or suspending a student for repeated acts of willful disobedience, defiance of authority, or disruptive behavior which are not of such a violent or extreme nature that immediate removal is required, good faith efforts shall be made to implement a remediation discipline plan that would allow the student to remain in school.

A student who is suspended from school will be marked as such on Aspire. Students are expected to turn in missed assignments upon their return to class. Unless otherwise directed by administration, students on suspension are not allowed on Summit Academy property or at SAHS activities during the period of their suspension.

Testing

SAHS provides students with the opportunity to meet state mandated testing requirements, measure academic progress, take preparatory and practice tests, and complete college admission exams. All students are encouraged to approach these assessments with fidelity to ensure accurate performance reporting.

While parents have the right to opt their student out of state-mandated testing, SAHS encourages parents to consider the benefits of testing noted above. Parents opting students out of state-mandated testing must do so using the proper form and notification of the administration.

Textbooks

Students may be issued textbooks for certain classes. Each student is responsible for his/her assigned books and must pay at the end of the year for lost or unreasonably damaged books before his/her transcript will be distributed. Each student is urged to write her/his name and the date issued in each book in case the book is misplaced.

Students taking AP or CE classes may be required to pay a fee for textbooks. Students may purchase any textbook that he/she chooses to highlight or mark. Students taking classes through SLCC may be required to purchase textbooks in addition to enrollment/registration fees.

Visitors must present a government-issued ID and will be screened through the sex offender database. Visitors will also be required to provide at least one way to contact them in case of an emergency.

Visitors will receive a badge to wear during their visit. These badges must be displayed for easy identification by students and staff members. Visitors must visit the office to check out as they leave the building.

Any visitor, including a student of another school, who does not report to the office may be referred to the police for trespassing charges.

Any student who violates this policy is subject to disciplinary action, including long-term suspension and possible expulsion. Administrators will determine the appropriate disciplinary action to take against a student who violates this policy by possessing, storing, or using a weapon, knife, explosive device, and/or other dangerous instrument.
