Upon approval from the Board, the approved TSSP will become GFA's TSSP for SY-2027.

**The school plan's goal shall be to improve school performance or student academic achievement and may contain any number of the following strategies:**

1. personnel stipends for taking on additional responsibility outside of a typical work assignment;
2. professional learning;
3. additional school employees, including counselors, social workers, mental health workers, tutors, media specialists, information technology specialists, or other specialists;
4. technology;
5. before- or after-school programs;
6. summer school programs;
7. community support programs or partnerships;
8. early childhood education;
9. class size reduction strategies;
10. augmentation of existing programs; or
11. any other strategy reasonably designed to improve school performance or student academic achievement.

**Funding received pursuant to the school plan may <u>not</u> be used:**

1. to supplant funding for existing education programs;
2. for board or school-wide administration costs;
3. for capital expenditures.

**The Director shall:**

1. submit this adopted framework to the State Board of Education;
2. post this framework and the Plan on the school's website; and
3. include the Plan in the parent/student handbook.
