Title 1 Information Letter 2026-27

Dear SAA Families,

We are grateful and excited that you have chosen Syracuse Arts Academy for your child's education. Your trust and support allow us to continue our mission of providing high-quality learning experience for all students.

We are pleased to share that our charter elementary schools qualify for **Targeted Assistance Title I funds**. As part of this funding, we are required to provide information to families about the Title I program. We also value keeping parents informed and involved in their child's education. **We will be hosting an informational meeting Wednesday, September 23, 2026 at 6:00 PM in the Jr. High Cafeteria for anyone who would like more information.**

Title I is the largest federal assistance program in the nation, and it provides funding to support students who are economically disadvantaged. These funds allow us to offer additional academic support to students who are failing or identified as most at risk of failing.

At Syracuse Arts Academy, students are identified for support through progress monitoring assessments. Individual and small group instruction is then provided by teacher assistants and instructional coaches. These funds are specifically designed to help increase student achievement and ensure that all children have the opportunity to succeed.

Parents are regularly updated on their child's academic progress and are always welcome to access their student's assessments and evaluations. In addition, parents have the right to know the licensure status of the teachers educating their children. We encourage you to meet with teachers during parent-teacher conferences and to reach out via email whenever you have questions about your child's progress and education.

Our hope is to partner with you on your child's academic journey and to continue building strong, positive relationships with our families. Together, we can help every child reach their highest potential.

Thank you for being an important part of the SAA community.

Warmly,

Kellie Mudrow
