3. Review of last year's goals — Jen Jensen

   John Christensen, who served on the SCC for the past several years, joined the meeting to review the current goals with the committee. The committee was pleased with Goals 1 and 2 and would like to continue focusing on ACT scores and student achievement.

   The committee also discussed Goal 3 and expressed interest in learning whether teachers are using Securly and finding it beneficial. Jen will follow up with teachers to gather feedback. Wendy expressed interest in receiving additional training on how to use Securly.

   Wendy also shared concerns that some students lack effective study skills and sometimes focus on finding the correct answer rather than developing a deeper understanding of the material. Wendy will research possible strategies and resources to help students strengthen their study skills.
