Meal Applications

Venture Families,

Linq/Titan(our lunch program software) is ready to accept online applications. I have included instructions for applying online. If you qualify for Snap (Food Stamps),TANF(Housing) Some Medicaids, Foster, or qualify as Homeless you will not need to apply for benefits. Your students will be directly certified. You will receive and email verifying the benefits this week.

We are only accepting online applications this year. If you have special circumstances or need a different language, don't hesitate to get in touch with me.

How can I apply for free/reduced meals online?

1. **APPLY** - Go to https://linqconnect.com and click School Services, then Start Meal Application.

2. **LOG IN** - If you have already registered for a LINQ Connect account and have logged in, you can click on Start Meal Application. On mobile, navigate to the Quick Links section at the bottom of the dashboard and select Meal Application.

What is the web address for meal applications? Please utilize https://linqconnect.com for your meal applications. You can select your district(Venture Academy) from the drop-down menu on the meal application page.
