PSO GRANTS

Our Annual PSO Fundraiser is our primary source of revenue and it's how we fund all the amazing events and activities our volunteers are able to put on for our scholars, staff, and teachers. We are also able to use the funds we raise to make grants to our academy. Grants provide funds for academy activities & events, assemblies, classroom needs, and outdoor campus needs that enhance and support the scholars' experiences. PSO grants are often curriculum-based, with long-term benefits for the scholars and our academy. The EDH PSO has made grants for visual and performing arts, sports, curriculum support, library books, recess & P.E., and much, much more!
