

Early Light Academy Toilet Training Policy

PURPOSE

The purpose of this policy is to establish the toilet training requirements for students at Early Light Academy (the “School”).

DEFINITIONS

“Toilet trained” means that a student can:

- (a) communicate the need to use the bathroom to an adult;
- (b) sit down on a toilet;
- (c) use the toilet without assistance;
- (d) undress and dress as necessary; and
- (e) tend to personal hygienic needs after toileting.

If an accident occurs, a “toilet trained” child can independently tend to hygienic needs and change clothes.

A student is not “toilet trained” if the student does not meet the criteria above or has accidents with sufficient frequency to impact the educational experience of the student or the student’s peers, as determined by the School.

POLICY

General Rule

As required by Utah Code § 53G-7-203 and R277-631, the School shall not enroll a student unless the student is toilet trained.

Exceptions

The School may enroll a student who is not able to be toilet trained because of a suspected disability that:

- (a) is subject to federal child find requirements; or
- (b) is described in an IEP or Section 504 plan.

Assurance

The School shall, as part of its enrollment process, require the parent of an incoming student to complete an assurance as to whether the student is toilet trained.

Administrative Procedures

The Executive Director shall establish administrative procedures regarding steps the School shall take in the event a student is not toilet trained.
