

Dear JAA Families,

Thank you so much for making the 2025 Annual PSO Fundraiser a success! We are excited at the possibility of utilizing our hard-earned funds to support our music and arts programs, science and technology, literary and library advancements, athletics programs, special needs equipment, curriculum support, and much more!

Please find a receipt of donation below, which you may copy and distribute to your scholar's sponsors for their tax purposes. A personal email or handwritten note from the scholar attached to this letter would be a thoughtful addition to this gesture.

We appreciate your generosity and support of the Parent Service Organization's only fundraiser of the year.

Sincerely,  
The Annual PSO Fundraising Committee
