**DUE: Wednesday, December 10, 2025**

## WHO

Students in grades K-5 who are currently enrolled in WPA for this 2025-2026 school year.

## PROCESS

1. You may begin the “intent to return” online registration process for the 2025-2026 school year starting November 3, 2025.
2. Log into your parent Aspire account [HERE](#) using your normal Aspire login information.
3. Once you login, you will see a blue flag that says, “can register for grade \_”. You will find this link either below their name and student lunch number or next to it.  

4. Please click on this link and complete the registration process for next school year. You will need to complete this process for **each student** you have currently attending Wasatch Peak Academy.
5. You will know your registration is complete if you log back into your parent aspire homepage and the blue flag has disappeared. If you still see the link, your registration is not quite finished.

## DUE DATE

In order to get an accurate count for students next year, please complete this by **WEDNESDAY, DECEMBER 10, 2025**.

## FAQ

*I can't login to Aspire—how do I login? Or what if I forgot my username or password?*

Please contact the front office during working hours and they can support you in getting logged in.

*What if I register and then our family circumstance changes, and we aren't able to attend WPA next year?*

We understand circumstances change and your registration status may change. If this arises, please contact the front office as soon as possible so we can adjust our numbers as needed.

*What if I have another child that does not attend WPA right now (e.g. sibling at another school or incoming kindergartener) but I want to put them in the lottery for next year?*

Please visit our website [HERE](#) and submit an application as a “New Student” registration. During the registration process you will be prompted to ask if there is a sibling attending WPA. Please ensure you fill that section out appropriately.
