## October 2025

### NEWSLETTER

Dear GFA Families,

It is hard to believe we are already approaching the close of the first quarter of the school year. As we look back over the past several weeks, it is clear that our students are not only learning but thriving. The classrooms are full of energy, curiosity, and growth, and our teachers are proud of the progress being made each day. The foundation built during these first months is setting the stage for a successful year ahead.

October is shaping up to be an exciting and busy month, and we are looking forward to everything it brings. We have officially kicked off our annual fundraising event, which will run through October 10. We are incredibly grateful to our Guardian Committee and to all the families who dedicate their time and energy to make this event a success each year. On October 10 during the school day, students will participate in the Super Mario Fun Run. That evening, we'll continue with our annual "Trick or Treat Fall Festival." This year's festivities will be bigger than ever, featuring bounce houses, food trucks, and fun activities for the entire family. It promises to be a wonderful community event, and we hope you'll join us.

As a reminder, the end of the first quarter is October 14. There will be no school for students on October 15, as this is a professional development day for our teachers. Fall break will follow on October 16 and 17. We hope these days provide families with some rest and quality time together before we move into the busy stretch ahead.

The week of October 27 will be dedicated to parent-teacher conferences. These meetings are an essential part of our partnership with you. Conferences provide a meaningful opportunity to learn about your child's academic progress, celebrate strengths, discuss goals, and collaborate with teachers to ensure continued growth. Your involvement in these conversations demonstrate to your child that their education is a priority, and it helps set the stage for continued growth throughout the year. During conferences, we will be operating on an early release schedule.

Thank you for your continued trust and partnership with our school. Your involvement, encouragement, and collaboration play a vital role in creating a strong, supportive learning environment for all students. We are grateful for the families who make up our school community and look forward to the wonderful month ahead.

Sincerely,

Lisa Erwin M.Ed.
